The Best Place To Have Your Images Printed

We specialize in producing the very best Color or Black and White prints. We use only acid free papers and the highest quality pigment inks. We also create our own custom printer profiles to insure outstanding prints for our customers.

Beginning on June 23, We Will be Open:

**Tuesdays, Thursdays, and Saturdays from
9:00am until 2:00pm**

While we resume business, we will have shorter hours, and be open for less days. As we start receiving orders from customers we will open for more days until we are back to our normal schedule.

**During the start back period, our building is normally locked.
Please call us at (505) 554-2706 and we will unlock the door for you.**

We will be practicing social distancing and wearing face masks. We ask that our customers wear masks also. If you are sick or have a cough, please **do not** visit us until you are healthy again.

**The best way to contact us when we are not open
is through e-mail at: Gallery@PhotoArtNM.com**

From everyone at The Artistic Image, *stay well and stay healthy!*

The 2020 Artistic Image Cell Phone Photo Show Dates TBA

The Gallery @ The Artistic Image

The Cell Phone show

When the businesses closed in New Mexico, we were about to finish accepting entries for our Second Cell Phone Photography Show. We have thought quite a bit about this during the shutdown and have decided on the following:

-We will continue to accept entries until two weeks after the stay at home order is lifted and there can be groups of about 25 or more.

-It will take us about three weeks to select which prints are accepted and to print and frame them.

-About one week after the prints are framed, we will host an opening of the show.

-This will be our official gallery reopening after the shutdown.

-The show will be on display for about 3 weeks.

Other Shows

There are 3 other shows in the plan, and the exact dates for them will be discussed and settled over the next few weeks. There is a show by Dan Shaffer and David McMullen, another show by Leigh Mahnesmith, and our Pinhole Photography show that will have some very interesting items.

As things change and become more definite, we will be in contact with everyone and give you exact dates. We also have a couple of ideas that we think you will find interesting for photographers.

Stay tuned and watch future newsletters.

Again, stay well and stay healthy.
